Notice. Warning concerning copyright restrictions. The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not "used for purposes other than private study, scholarship or research." If a user makes a request for, or later uses a photocopy or reproduction for purposes in excess of "fair use", that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if in its judgment, fulfillment of the order would involve a violation of copyright law.

I accept full liability for all photocopies on reserve for the course listed above. These photocopies were made in compliance with Title 17, §107 of the United States Code.
